Dear Community Partner

Covered Ministries Inc is a 501(c)(3) organization started in 2022, in Gwinnett County, to supply food aid to single family household and provide mentorship for young adults. Covered Ministries Inc can only achieve its goals with the help of generous donations from members of our community.

Since our organization relies on the generosity of organizations like yours, we write to ask you to consider a donation to our mission. The economic impact of COVID-19 along with rising food and healthcare costs, are daily issues for many families. During the pandemic, food insecurity rose among single parent households and households with children. Last year, 35% of households with incomes below the federal poverty line were food insecure. Food insecurity is the limited or unknown availability of nutritional and safe foods for everyone in a household to meet their basic needs.

Thank you in advance for your generosity.

History of Covered Ministries

Ways We Help

- Reduce food insecurity by promoting opportunities to obtain fresh produce and non-perishable goods for single parent households.
- Volunteer service hours for teens gained through partnership with local nonprofits in Gwinnett County.
- Educational workshops and field trips for teens to enhance civic engagement and college and career readiness.

He ensures that orphans and widows receive justice. He shows love to the foreigners living among you and gives them food and clothing.

Deuteronomy 10:18 NLT

As a newly founded 501(c)3, Covered Ministries, Inc relies on donations from generous supporters. We are aiming to provide quality programming to impact teens in Gwinnett County and the surrounding areas, but we can not do it alone. Consider sponsoring one of our upcoming programs with your donation.

College Campus Tour

At the end of July 2022, Covered Ministries coordinated campus visits to both Morehouse and Spelman in downtown Atlanta. Ten teens along with parents and mentors learned about the history and cultural impact of the historically black colleges and universities.

College Campus Tour

At the end of July 2023, Covered Ministries coordinated a 1 day tour of both Alabama State University and the Legacy Museum. 15 teens along with parents and mentors experienced the Legacy Museum and absorbed the cultural impact of a historically black university. With your financial support, we are planning to take the teens to visit another college campus in Summer 2024.

Community Partner Volunteerism

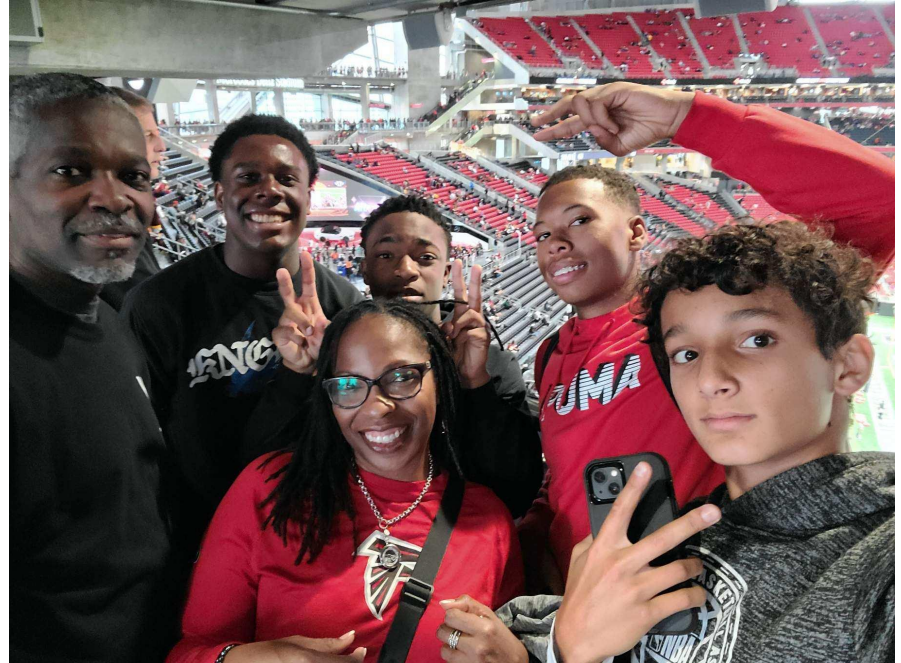

We developed partnerships with several Gwinnett area nonprofits to offer volunteer support and community service learning for teens. We have been able to leverage these partnerships to assist single parent households with fresh produce and non-perishable food. Opportunities to serve the community are on Saturdays and weekdays (during the summer months).

Social Events and Other Activities

During the summer mentoring program, our students have participated in a number of special activities including a basketball camp and community outreach event, tennis clinic, youth heartscan workshops, blessing ceremonies, family bowling, a baseball game, and an escape room.

Why Should I Support?

- *Help improve students grades
- *Expose students to college life
- *Teens gain community service experience to add to employment and scholarship applications
